

## Project Home Again 2009 Program Commitment Form

### What is the Project Home Again program?

MSCA's Project Home Again program gets MSCA members involved in the search for missing children. In partnership with the National Center for Missing and Exploited Children, MSCA has arranged to print and distribute magnetized missing children posters that you can place on your service vehicles.

The 12" x 18" magnetic posters include a photo of the child at the time they were reported missing, biographical information, and numbers to contact if they are seen. Many posters also include age-progressed photos to help people recognize the child as they may look today. If the child is found, a "FOUND" sticker will be sent to you to place over the poster. This lets the community know that Project Home Again works. New posters will also be sent to replace the FOUND child poster.

### How can my company participate?

Sign on to display Project Home Again posters on your service vehicles. By doing so, you show your dedication to community service and may help these abducted and runaway children return home safely. Participation is easy: complete the form below, fax it back to MSCA at 301-990-9690, and display the posters when you receive them. Cost per poster is \$12 each plus shipping.

### Who do I call with questions?

If you have any questions, please call Sobeida Orantes at 800-556-3653 or e-mail [saorantes@mcaa.org](mailto:saorantes@mcaa.org).
