

Project Home Again Commitment Form

WHAT IS PROJECT HOME AGAIN?

MSCA's Project Home Again™ gets MSCA members involved in the search for missing children. In partnership with the National Center for Missing and Exploited Children, MSCA has arranged to print and distribute magnetized missing children posters that can be placed on trucks and service vehicles.

The 12" x 18" magnetic posters include a photo of the child at the time they were reported missing, biographical information, and numbers to contact if they are seen. Many posters also include age-progressed photos to help people recognize the child as they may look today. If the child is found, a "FOUND" sticker will be sent to you to place over the poster. This lets the community know that Project Home Again works. New posters will also be sent to replace the FOUND child poster.

HOW CAN MY COMPANY PARTICIPATE?

Sign on to display Project Home Again posters on your service vehicles. By doing so, you show your dedication to community service and may help these abducted and runaway children return home safely. Participation is easy: complete the form below, fax it back to MSCA at 240-238-7261, and display the posters when you receive them. Cost per poster is \$12.
